**(children 4 and under must be
accompanied by an adult)**

The award-winning Crabgrass Puppet Theatre delivers a delightful and hilarious new take on an old tale, featuring beautiful puppetry, lively music and three adorable pigs.

The three little pigs want their new homes to be the best in the neighborhood. But who should they call to design them? Architect B. B. Wolfe of the esteemed firm of Dewey Eatem & Howe is on hand to steer the pigs to the latest locally-sourced earth-friendly materials.
