

Welcome to the Mark Twain Library

2017 WINTER Story Times for Children birth-3

January 9 – February 16

Family Story Time

Wednesdays 10:30-11:15

Family Story Time is an exciting new offering at the Mark Twain Library. This 45-minute program is designed as fun for the whole family! Each session begins with 15 minutes of free play when children and their caregivers can play, color, and interact with other families. Then, we sing, dance, and read together.

Families who attend other story times are **welcome and encouraged to also attend** Family Story Time.

Baby & Toddler Story Time

Mondays 10:30 - 11:00 am & 11:30 – 12 noon

Baby & Toddler Story time is designed for our youngest patrons (birth-24 months) and their caregivers to play and interact together; it is also a perfect time to get to know other caregivers with same-age children. Together we will enjoy music and stories through singing, movement games, finger plays, nursery rhymes, and books. Older siblings are welcome to join us but the program will be geared toward babies and toddlers.

2s Story Time

Thursdays 10:15 -11:00 am & 11:15 – 12 noon

During our 2s Story Time, children 24-36 months and their caregivers will learn and play together. Each week we will explore music and stories through songs, movement games, rhythm instruments, flannel boards, and books. Older and younger siblings are welcome to join us but the program will be aimed at 2-year-olds

3/4s Story Time

Tuesdays 1:30-2:15

Wednesdays 1:30-2:15

This is an energetic and interactive 45-minute program for independent 3-and-4 year-olds who come into story time without their caregiver. We will share books, music, movement, stories, and crafts. Children are welcome to attend either Tuesday **OR** Wednesday.

5/6s Story Time

Tuesdays 3:30-4:15

Read-alouds for older listeners will be featured in a 45-minute program of stories and crafts for kindergarteners and first graders

Great Books!
